Request for Mediation

All items on this form must be completed to initiate mediation of a dispute. Copies of the form are to be submitted to the President of ICMI. See the ICMI Dispute Resolution Procedure for guidance on completing this form.

Date: _____

Complainant: _____

Respondent: _____

1. Is the complainant:
   a) a company that is a signatory to the Code? _____
   b) an operation that is owned by a company that is a signatory to the Code and that either is certified under the Code or that seeks certification under the Code? _____
   c) an auditor credentialed by ICMI or denied credentials from ICMI? _____
   d) an individual or group that may be affected by implementation of Code and that can present evidence that the Code has been implemented in a manner incorrectly or erroneously or inconsistent with its stated intent, goals, procedures and/or limitations? ___

2. If the answer to 1.d) is yes, complete the following:
   a) Complainant's country of citizenship, charter, registration or incorporation: _____
   b) Is the complainant's use of air, surface water, ground water, or land resources reasonably expected to be adversely impacted by the manufacture, transport, use or disposal of cyanide at or to a certified operation or one seeking certification? Describe.

3. What provision of the Code and/or its implementing procedures and documentation does the complaint involve? Cite the Principle, Standard of Practice or section of the document or procedure and be as specific as possible.

4. What decision or action of the respondent does the complainant believe to be contrary to the Code or its implementing procedures and/or documentation? Identify the signatory company, operation and location if applicable.

5. How is the decision or action contrary to the Code or its implementing procedures and documentation?

6. What evidence (documentation, first-person testimony, photographs or other materials) will the complainant present in support of the complaint?

7. In pursuing the resolution of this dispute, I agree to abide by the procedures set out in the ICMI Dispute Resolution Procedure.
